

**Faculty Position in Decision Sciences  
Department of Information Technology & Decision Sciences  
College of Business  
University of North Texas**

The Department of Information Technology & Decision Sciences at the University of North Texas invites applicants to apply for a tenure track position in Decision Sciences at the level of Assistant or Associate Professor for the Fall 2010 semester.

The candidate must have a doctorate in Management Science or related discipline to apply. The candidate must also have a research record commensurate with these position levels and have interests and experience in the development of a Decision Sciences Program at the undergraduate or graduate levels. The candidate must be an effective researcher and teacher. Preference will be given to candidates possessing expertise in modeling and analysis as applied to business intelligence/analytics and data mining. Candidates are expected to teach a course load of at least 2-2. Actual course loads are assigned based on departmental needs. Salary is competitive and commensurate with experience.

Applicants must apply **on-line** at <http://facultyjobs.unt.edu/applicants/Central?quickFind=50477>. Applicants will be asked to upload a cover letter, their curriculum vitae, names and contact information for three references, and a summary of teaching evaluations.

Please direct any questions to Dr. Mary C. Jones, ITDS Department Chair at [jonesm@unt.edu](mailto:jonesm@unt.edu).
