All Pre-Business (PBUS) students are required to participate in two approved workshops per semester prior to registering for future semesters.

Participation in Pre-Business workshops is designed to encourage students to advance at an acceptable pace to timely graduation, and support students in making informed decisions about a “best fit” major according to their skills, abilities, and goals. PBUS students must attend two of the following workshops of their choice in order to register for Summer and Fall 2017 classes.

*** Please check your UNT email account for messages from CoB-PALS@unt.edu as there may be changes to the workshop schedule. ***
